Coordinate with private sector to expand senior housing. Continue to work with the Ombudsman's Program and Area Agency on Aging.
H6.3	<u>Upgrade Senior Facilities</u> . Continue to facilitate private sector efforts to upgrade existing senior housing facilities, including services for seniors with long term care needs, in order to provide improved senior housing opportunities.	Responsible Agency: Housing & Redevelopment Division Timeframe: Ongoing Funding Sources: RDA, HOME funds
H6.5	Senior Advocacy. Continue to work with the Ombudsman and Area Agency on Aging.	
H6.7	Housing Incentives. Continue to provide reduced parking incentives for senior housing projects in combination with bonus densities to encourage the development of small senior and disabled apartment projects including efficiencies and congregate care.	
H6.4	Non-Institutional Facilities. Encourage small, non-institutional facilities that meet the needs of the older senior population (75+).	Objective: Coordinate with private sector to expand senior housing and services. Responsible Agency: Housing & Redevelopment and Planning Divisions
H6.6	<u>Support Services</u> . Encourage the expansion of support services such as house cleaning, cooking, shopping and financial advising in order to meet the needs of the older, independent senior population.	Timeframe: TBD Funding Sources: RDA

Policy	H7: Seek to ensure the availability of housing opportunitie population.	es for the extremely low, very low, low and moderate income disabled
	Implementation Actions	Work Program
H7.1	Congregate Care. Promote and assist the development and processing of new congregate housing opportunities or board and care facilities for the extremely low, very low, low and moderate income, and physically and mentally disabled persons. New Housing Opportunities. Work with community service providers to expand their scope of services to include housing through new construction or acquisition.	Objective: Construct 50 new units for extremely low, very-low and low income disabled persons. Continue to work with community service providers to provide housing opportunities for the disabled. Responsible Agency: Housing & Redevelopment and Planning Divisions Timeframe: 3-5 years Funding Sources: RDA, HOME funds
H7.2	Support for Landlords. Explore the creation of a program to support and assist landlords in accepting mentally disabled tenants.	Objective: Increase housing opportunities for the disabled by coordinating with, and supporting the Housing Authority, community groups, and local landlords, as well as preserving and rehabilitating existing housing units for disabled individuals.
H7.3	Special Needs Housing. Encourage the community services groups, non-profits, and the faith-based community to create special needs housing.	Responsible Agency: Housing & Redevelopment and Planning Divisions Timeframe: Ongoing
H7.5	<u>Priority Status</u> . Encourage the Housing Authority of the City of Santa Barbara to continue to give priority status to disabled people with the greatest housing needs.	Funding Sources: RDA, TBD
H7.6	Accessibility Funding. Explore ways to fund accessibility improvements for dwelling units that will be made available for disabled persons who are eligible to receive HUD Section 8 certificates.	
H7.7	At-Risk Affordable Disabled Units. Ensure that affordable units occupied by disabled tenants at risk of converting to market rates are maintained as affordable, to the extent feasible.	

Policy	Policy H8: Accessibility for the disabled shall be required in new residential development and in housing to be rehabilitated.	
	Implementation Actions	Work Program
H8.1	Accessibility Review. Continue the ongoing review of residential development plans for accessibility for the disabled.	Objective: Continue to review residential development plans to ensure accessibility to disabled persons as required by State and Federal
H8.2	Accessibility Guidelines. Distribute guidelines to builders that explain Federal and State laws regarding accessible units. Provide specific ideas and examples (such as no steps, wider doors and hallways and larger bathroom areas).	accessibility laws. Responsible Agency: Planning and Building & Safety Divisions Timeframe: Ongoing Funding Sources: General Fund
H8.3	Accessible Housing. Adhere to either the Fair Housing Act or the California Building Code, whichever is more stringent, in order to provide accessible housing.	

Policy	Policy H9: Support the creation of new programs to aid the disabled to secure accessible housing.	
	Implementation Actions	Work Program
H9.1	Accessible Housing Incentives. Investigate and implement policies that give incentives for disabled accessible units to be included in market-rate projects.	Objective: Increase housing opportunities for the disabled by providing incentives for the production of accessible dwelling units. Responsible Agency: Planning and Housing & Redevelopment Division Timeframe: 3-5 years Funding Sources: General Fund
H9.2 H9.3	Technical Assistance. Seek funding to create and fund technical assistance programs for builders wishing to construct or convert housing for the disabled. Programs could include free architectural services to rental property owners and developers, as well as construction loans or grants for the development of accessible housing affordable to extremely low, very low, low or moderate income households. Case Management. Seek funding for case managers to support the disabled in independent living situations.	Objective: Increase housing opportunities for the disabled by funding the creation of new programs to assist disabled individuals secure accessible housing. Responsible Agency: Housing & Redevelopment Division Timeframe: TBD Funding Sources: TBD

Goal 2: New Housing Development

Goal 2. New Housing Development	
Policy H10: Given limited remaining land resources, the City shall encourage the development of housing on vacant infill sites and the redevelopment of opportunity sites both in residential zones, and as part of mixed-use development in commercial zones.	
Implementation Actions	Work Program
 H10.1 Early Project Consultation. Continue to offer and encourage early staff predevelopment consultations for residential development of opportunity sites and mixed use projects. H10.2 Property Profiles. Continue to offer property profile services in the Planning Division that explain development potential and 	Objective: Continue efforts to facilitate infill development in residential zones and mixed-use development in commercial zones. Construct 54 units/year. Responsible Agency: Planning Division Timeframe: Ongoing
constraints for parcels in the City. Property profile services generally involve the review of archive, street and planning files, and the preparation of a letter report containing information regarding the property's permit history and development potential.	Funding Sources: General Fund
H10.4 Housing at Shopping Centers. Promote and encourage the development of mixed-use for-ownership and rental housing at shopping centers such as La Cumbre Plaza shopping center, with an emphasis on affordability, by coordinating and/or partnering with property owners and housing developers.	
H10.3 <u>Building Reuse</u> . Encourage residential reuse of existing nonresidential buildings for housing, especially for both ownership and rental affordable housing.	Objective: Amend Municipal Code to include provisions for the re-use of existing buildings for housing opportunities. Responsible Agency: Planning Division Timeframe: 6 or more years Funding Sources: General Fund

Policy H11: The production of affordable housing units shall be the highest priority and the City will encourage all opportunities to construct new housing units that are affordable to extremely low, very low, low-, moderate and middle-income owners and renters.

Implementation Actions Work Program

- H11.1 <u>Affordable and Workforce Housing</u>. Explore options to promote affordable and workforce housing, including revising the variable density ordinance provisions to increase affordable housing (e.g., limit unit size), requiring a term of affordability, reducing parking standards with tenant restrictions.
- H11.2 <u>Priority Housing Overlay</u>. Encourage the construction of rental housing, employer sponsored housing, and co-operative housing in the Downtown, La Cumbre Plaza/Five Points area, C-M Commercial Manufacturing Zone and Milpas Street area by providing incentives such as:
 - Increased density overlays up to 63 du/ac as part of the Average Unit-Size Density Program.
 - Higher Floor Area Ratios (FAR) when such standards are developed.
 - More flexibility with zoning standards, (e.g., reduced parking standards).
 - Expedited Design Review process.
 - Fee waivers or deferrals.
- H11.3 Inclusionary Housing. Amend the Inclusionary Ordinance to:
 - a. Consider a 15 25 percent inclusionary affordable housing provision in new residential ownership developments for affordable housing to accommodate workforce (middle) income earners; and
 - b. Amend the payment of in-lieu fees to include the following considerations:

Objective: Promote affordable and workforce housing by identifying opportunity sites in residential and commercial zones and public lands. Amend the Variable Density Ordinance to allow increased densities based on average unit size, the Inclusionary Housing Ordinance to allow increased percentage of affordable housing, the Zoning Ordinance to allow more flexibility in standards (i.e., reduce parking) to facilitate housing production.

Responsible Agency: Planning and Housing & Redevelopment Divisions

Timeframe: 1-2 years (H11.1, H11.2, H11.4), 3-5 years (H11.3, H11.8)

Funding Sources: General Fund

- Eliminate or reduce inclusionary housing in-lieu fees based on preferred development, such as affordable or special needs housing projects;
- Adjust the inclusionary housing in-lieu fee rate based on unit size (i.e., lower fees for smaller units); and
- Require a Housing Mitigation Fee for commercial development; and
- c. Suspend the inclusionary housing requirements or in-lieu fees during times of economic downturn if development costs are prohibitive.
- H11.4 <u>Density Standards.</u> Develop density standards that permit greater densities for projects that provide a greater percentage of price-restricted ownership units than required by the inclusionary housing ordinance.
- H11.8 Opportunity Sites. Assist, coordinate or partner with builders for the development of affordable housing projects by identifying in-fill and opportunity sites in the commercial zones, on public lands and under-developed R-2, R-3 and R-4 sites.
- H11.5 <u>Bonus Density</u>. Continue to provide bonus density units above levels required by State law, to be reviewed on a case-by-case basis.
- H11.6 <u>Private Sponsors</u>. Continue to solicit proposals for low-, moderate-, and middle income projects from private sponsors and develop programs to assist in their implementation.
- H11.7 <u>Infill Housing</u>. Continue to assist the development of infill housing including financial and management incentives in cooperation with the Housing Authority and private developers to use underutilized and small vacant parcels of land for new extremely low, very low, low and moderate income housing opportunities.

Objective: Explore alternative ways and funding sources to promote housing opportunities, including the production of affordable and workforce housing units.

Responsible Agency: Housing & Redevelopment and Planning Divisions

Timeframe: Ongoing **Funding Sources:** RDA

- H11.9 <u>Sweat Equity Projects</u>. Continue to support special procedures for development, permitting, construction and early occupancy of "sweat equity" projects.
- H11.10 <u>Large Rental Units</u>. Encourage the construction of three bedroom and larger rental units for low-, moderate-, and middle income families, including the Housing Authority in efforts to develop and/or acquire three+ bedroom units.
- H11.11 <u>Condominium Conversions.</u> Continue to implement the Municipal Code's Condominium Conversion Ordinance to provide an opportunity for entry-level home ownership in a variety of locations while maintaining a supply of rental housing for extremely low, very low, low and moderate income persons.
- H11.19 <u>Parcel Consolidation</u>. Encourage the consolidation of small and underutilized parcels for development of affordable housing, if appropriate based on neighborhood compatibility.
- H11.12 <u>Surplus Land</u>. Inventory all land in the City owned by County, State and Federal governments, the Santa Barbara School and High School Districts and public utilities and actively pursue dedication of surplus land for development of low moderate and middle income housing, and for qualifying employees of participating government agencies.
- H11.13 <u>Housing Opportunities</u>. Look for housing opportunities on City-owned land or over private and public parking lots.
- H11.14 <u>Public Facilities</u>. Pursue acquisition of the National Guard and Army Reserve sites in order to develop affordable housing, park, school or other public benefit facilities.
- H11.15 <u>Financial Assistance</u>. Apply for, or support others in applying for, all available public and private funding and financial assistance for affordable housing projects.

Objective: Explore alternative ways and funding sources to promote housing opportunities, including the production of affordable and workforce housing units.

Responsible Agency: Housing & Redevelopment and Planning Divisions

Timeframe: TBD

Funding Sources: TBD

- H11.16 <u>Property Transfer Tax</u>. Increase property transfer tax to provide funding for price-restricted affordable and workforce housing, in order to broaden the funding base.
- H11.17 <u>Alternative Revenue Sources</u>. Explore alternative sources of revenue for Affordable Housing to replace the Central City Redevelopment Project (CCRP) area tax increment financing when it expires in 2015.
- H11.18 Extend Redevelopment Project Area. Continue to explore and pursue potential legislative amendments or other opportunities for extension or replacement of the Redevelopment Project Area and its funding mechanism for affordable housing and other community benefit projects.

PolicyH12: Provide incentives for the private sector development of the Area Median Income.	of new housing opportunities for households earning more than 120%
Implementation Actions	Work Program
 H12.1 Above Moderate Housing. Encourage the development of housing for first time home buyers, including moderate and middle-income households. H12.2 Large Employers. Encourage large employers to mitigate affordable housing impacts. 	Objective: Encourage and expand housing opportunities for moderate and middle income first time home buyers, including employee housing through financial assistance programs offered by large employers. Responsible Agency: Housing & Redevelopment and Planning Divisions Timeframe: Ongoing Funding Sources: RDA, General Fund

PolicyH13: Preserve non-subsidized affordable rental housing.	
Implementation Actions	Work Program
 H13.1 Preserve Rentals. Explore ways to avoid condominium conversions, or alternatively, the creation of cooperative tenant ownership of previous rentals. H13.2 Condominium Conversions. Amend section 28.88.120B of the Municipal Code to require all condominium conversions to conform to the density requirements of the General Plan. H13.3 Rental Units. Allow the reconstruction or rehabilitation of existing rental apartments at non-conforming General Plan densities and zoning standards. The loss of some rental units may be considered to meet building code requirements. 	Objective: Explore ways to avoid the loss of rental housing, including amending the Municipal Code to allow rental apartments to rebuild or rehabilitate at non-conforming densities Responsible Agency: Housing & Redevelopment and Planning Divisions Timeframe: 1-2 years (H13.2, H13.3), 3-5 years (H13.1) Funding Sources: General Fund, TBD

Policy H14: Ensure that new market-rate residential development is consistent with the City's sustainability goal, including reduced energy and resource use, and increased affordable housing opportunities.

Implementation Actions Work Program

- H14.1 <u>Market Rate Housing</u>. Market-level housing projects in the multi-family or commercial zones (including mixed-use) shall be encouraged to:
 - Construct unit sizes consistent with averages and maximums set out under the City's Average Unit-Size Density Incentive Program provisions; and
 - Have access to adequate public open space within a ½-mile radius, a dedication of sufficient useable open space on-site, a contribution is made toward future parks through in-lieu fees, or a combination of any of these.
- H14.2 <u>Resource Conservation</u>. Establish criteria and standards for resource use in relation to density in the project review process, to encourage reduced resource footprint projects. Residential projects that exhibit a significantly lower resource per capita footprint would be allowed bonus density providing the building remains smaller than allowed by zoning.
- H14.3 <u>Market-Rate Incentives</u>. Prepare design standards and codify incentives for market rate developers to build smaller, "affordable-by-design" residential units that better meet the needs of our community.

Objective: Require market-rate housing development to be consistent with City sustainability goals, by reducing energy and resource use and providing affordable housing opportunities. Develop resource use and design criteria and standards for market-rate housing.

Responsible Agency: Planning Division

Timeframe: 1-2 years (H14.1), 3-5 years (H14.2, H14.3)

Funding Sources: General Fund

Policy H15: Second units (granny units) in single family zones shall be allowed within certain areas with neighborhood input to gauge level of support, but prohibited in the High Fire Hazard Zones to the extent allowed by State law applicable to second units. Second units may be appropriate within a short walking distance from a main transit corridor and bus stop.

Implementation Actions

H15.1 <u>Secondary Dwelling Unit Ordinance</u>. Amend the Secondary Dwelling Unit Ordinance to provide more site planning flexibility and affordable-by-design concepts such as:

- Changing the existing size limitations to remove percentage of unit size and allowable addition requirements, and allowing a unit size range (300 – 700 s.f.);
- The square footage of the secondary dwelling unit shall be included in the floor-to-area ratio (FAR) for the entire property and shall be consistent with the Neighborhood Preservation Ordinance FAR;
- Eliminating the attached unit requirement;
- Eliminating or adjusting affordability requirements;
- Allowing tandem parking and easing other parking requirements on a case-by-case basis;
- Allowing one water, gas, and electric meter and a single sewer line, or reviewing requirements for meter placement and configuration to minimize the cost of individual metering of dwelling units; and
- Developing guidelines and prototypes of innovative design solutions.

Work Program

Objective: Promote the development of second units in certain single family neighborhoods by amending the Secondary Dwelling Unit Ordinance to allow more flexibility in unit design and site planning.

Responsible Agency: Planning Division

Timeframe: 6 or more years **Funding Sources:** General Fund

Assist affordable housing sponsors to produce affordable housing by reducing the time and cost associated with the Policy H16:

development review process while maintaining the City's commitment to high quality planning, environmental protection and urban design.	
Implementation Actions	Work Program
H16.1 Affordable Housing Projects. Continue to give priority to affordable housing projects on Staff, Committee and Commission agendas.	Objective: Assist in the development of affordable housing units by expediting review process. Responsible Agency: Planning and Housing & Redevelopment
H16.2 <u>Affordable Housing Facilitator</u> . Continue to have a Staff-level Affordable Housing Facilitator with clearly established roles and responsibilities as defined by City Council.	Divisions Timeframe: Ongoing Funding Sources: General Fund, RDA, CDBG funds
H16.3 <u>CEQA Exemption</u> . Continue to use the CEQA infill exemption for Affordable Housing projects as appropriate.	
H16.7 <u>Water Meters</u> . Allow new apartment developments to be served by a single water meter for interior uses with on-line meters for each unit, as appropriate, or review requirements for meter placement and configuration to minimize the cost of individual metering of dwelling units	
H16.8 Expedited Review. Continue working with the Architectural Board of Review (ABR) and the Historic Landmarks Commission (HLC) to expedite the review of Affordable Housing Projects. As appropriate, establish joint subcommittees of design review boards and Planning Commission to offer early, consistent and timely input and problem solving during the review process.	

Responsible Agency: Planning and Building & Safety Divisions

Timeframe: 3-5 years

Funding Sources: General Fund, RDA

- H16.4 Coordinated Project Review. Address issues of coordination between the Architectural Board of Review (ABR), the Historic Landmarks Commission (HLC) and the Planning Commission (PC). Identify areas where additional staff authority could be given for administrative approvals.
- H16.5 Infill Project Guidelines. Work with AIA, ABR and HLC members to develop guidelines and examples for small infill projects (adding 1-3 units). Consider allowing projects consistent with the guidelines to be reviewed as Consent items when appropriate.
- H16.6 Administrative Approvals. Develop a list of administrative approvals for small infill projects that would include, but not be limited to the following:
 - Paint color
 - Window changes
 - Water heater enclosures
 - Room additions
 - Additions of less than 250 s.f.
 - Small infill projects consistent with adopted design prototypes
- H16.9 Multi-Family Design Guidelines. Develop multi-family residential design guidelines and standards to address unit size, setbacks, open space, landscaping, building size, bulk and scale, and site planning (e.g., pedestrian-friendly design, front porch facing the street or courtyard, and parking located out of sight).

Policy H17: Implement changes to development standards to be more flexible for rental, employed sponsored workforce housing, affordable housing projects, and limited equity co-operatives, where appropriate.	
Implementation Actions	Work Program
 H17.1 Parking Requirements. Consider incremental changes to the Zoning Ordinance parking requirements such as: Reducing parking requirements for projects that develop under the Average Unit-Size Density Incentive Program to 1 space minimum per unit. Allowing tandem parking Providing more flexibility for constrained sites (e.g., allowing for more than one maneuver, use of car stacking devices or other space saving measures) Eliminating guest parking requirements for housing in the Downtown commercial area Rounding down when calculating parking requirements. H17.2 Zoning Standards. Consider amending the Zoning Ordinance to change how, where and the extent of outdoor living space, yard and setback requirements for housing in commercial zones. H17.3 Expedite Environmental Review. Develop and maintain a system for use of the City's Master Environmental Assessment Document as a means of expediting the environmental review process consistent with State law regarding housing. 	Objective: Amend zoning requirements and Master Environmental Assessment as ways to expedite the development review process for housing projects. Responsible Agency: Land Development Team Timeframe: 1-2 years (H17.1, H17.2), 3-5 years (H17.3) Funding Sources: General Fund
H17.4 <u>Development Review Process</u> . On an ongoing basis, evaluate the current development review system and make recommendations for improvements.	Objective: Amend zoning requirements and Master Environmental Assessment as ways to expedite the development review process for housing projects. Responsible Agency: Planning Division Timeframe: Annually as part of the budget process Funding Sources: General Fund

Policy H18: The City shall monitor housing development and progress toward achieving housing goals.	
Implementation Actions	Work Program
H18.1 Adaptive Management Program. Through the Adaptive Management Program, monitor and report annually to the Planning Commission, City Council and public, the number of total and affordable dwelling units (including bonus density units) that are being constructed, and the number of units converted to commercial use or demolished and not replaced.	Responsible Agency: Planning Division Timeframe: Annually

Goal 3: Conservation and Improvement of Existing Housing	
Policy H19: The City shall continue to expand its voluntary housing rehabilitation programs, and preserve existing housing in all parts of the City.	
Implementation Actions	Work Program
 H19.1 Rehabilitation Loans. Continue to provide rehabilitation loans to low- and moderate-income owner households in neighborhoods displaying the greatest need for rehabilitation. H19.2 Outreach Efforts. Increase outreach efforts to encourage homeowners and apartment owners to participate in the City's Housing Rehabilitation Loan Program (HRLP). H19.3 Review HRLP. Review and evaluate the objectives of the HRLP for consistency with the 2010 Housing Element goals. H19.4 Low-Interest Loans. Continue to provide low interest rehabilitation loans for housing sponsors to rehabilitate multifamily structures. H19.5 Neighborhood Surveys. Continue to survey neighborhoods that have the highest number and concentration of units in need of rehabilitation. 	Objective: Continue to commit City funds to rehabilitate single family and multi-family extremely low, very low, low, and moderate-income units. Responsible Agency: Housing & Redevelopment, Building & Safety and Planning Divisions Timeframe: 3-5 years (H19.2, H19.3, H19.5), Ongoing (H19.1, H19.4, H19.7, H19.8) Funding Sources: RDA, CDBG funds

H19.7	Remove Architectural Barriers. Continue the City's Home Rehabilitation Loan Program's efforts to remove architectural barriers in the homes of disabled citizens.	
H19.8	Substandard Housing. Continue to allow the appropriate demolition of substandard housing.	
H19.6	Mobile Home Parks. Investigate rehabilitation loan programs for the rehabilitation of mobile home park infrastructure.	Objective: Complete feasibility study related to mobile home infrastructure improvements.

		Timeframe: TBD
		Funding Sources: TBD

Policy H20: The City shall encourage residential property owners to improve the conditions of their property(ies) to a level that exceeds the minimum standards of the California Building Code and the Uniform Housing Code

Implementation Actions Work Program H20.1: Zoning Enforcement. Continue to focus building and zoning Objective: Improve housing conditions through zoning enforcement enforcement efforts on property owners who are chronic, repeat efforts (approximately 400 cases per year) and the completion of Zoning Information Reports (approximately 1,000 per year). offenders with emphasis on multi-departmental inspections and abatement orders, and prosecution of violators through the Responsible Agency: Planning and Building & Safety Divisions court system. Timeframe: Ongoing H20.2: Substandard Apartment Complexes. Look for opportunities to Funding Sources: General Fund acquire larger, substandard apartment complexes in cooperation with the Housing Authority, Peoples' Self Help Housing or other community-based organizations in order to correct health and safety problems and to provide ongoing management services. H20.3 Bilingual Assistance. Continue to provide a bilingual ombudsperson for tenants in substandard units who wish to file a housing complaint.

- H20.4 Zoning Information Reports. Continue to require Zoning Information Reports when residential units change ownership, excluding condominiums.
- H20.8 <u>Tax Code.</u> Continue to utilize the processes of Sections 17274 and 24436.5 of the State Revenue and Taxation Code which prohibits a taxpayer who derives rental income from substandard housing from receiving income tax deductions for interest, taxes, depreciation or amortization paid or incurred with respect to the substandard housing.
- H20.5 <u>Illegal Dwelling Units</u>. Consider ways to legalize illegal dwelling units in accordance with the requirements of the Zoning Ordinance.
- H20.6 <u>Code Enforcement</u>. Consider intensifying enforcement of the requirements of the Zoning Ordinance, the California Building Code and the Uniform Housing Code only if adequate protection measures and relocation assistance are available for tenants who may be displaced by such enforcement activities.
- H20.7 <u>Substandard Buildings</u>. Consider implementing a program that would require owners of buildings found by the City's Building and Safety Division to be substandard to assume the financial burden of relocating their tenants to habitable units.

Objective: Complete studies to identify methods and implications of increased enforcement on illegal and substandard housing units.

Responsible Agency: Planning, Building & Safety Divisions and City Attorney's Office

Timeframe: TBD

Funding Sources: TBD

Policy H21: Maintain the affordability of existing extremely low, very low, low- and moderate-income dwelling units.

Implementation Actions

Work Program

- H21.1 <u>Affordability Covenants</u>. Continue to monitor and preserve affordable housing covenants before they expire.
- H21.2 <u>At-Risk Affordable Units</u>. Continue to encourage the Housing Authority and nonprofit organizations to acquire and manage units whose affordability requirements are due to expire.
- H21.3 <u>Expiring Affordability</u>. For projects with expiring affordability provisions:
 - Make a determination as to whether longer affordability is feasible under existing financing;
 - Engage in dialogue with property owners, no later than 12 months prior to the expiration of the recorded affordability covenant, to extend the affordability period. If the affordability period is not extended the City in conjunction with the property owner shall notify the tenants of the impending expiration to ensure proper and timely notification;
 - Explore options for refinancing first mortgage bonds;
 - Explore potential for sale of project to nonprofit or the Housing Authority;
 - Require additional affordability as a condition of subordination of an existing City loan against the property.
- H21.4 <u>Presidio Park Apartments</u>. Ensure that Presidio Park Apartments remain affordable in the interim between when their Section 8 contract expires (2004) and when the City has option to purchase (2018). Develop a financial plan to purchase Presidio Park Apartments as long term affordable housing project in 2018.

Objective: Preserve affordable housing through the maintenance of affordability covenants, including requiring longer affordability of units.

Funding Sources: RDA, HOME, CDBG, HCD funds

Goal 4: Regional Cooperation & Jobs/Housing Balance

The City is committed to working with neighboring jurisdictions and the private sector to solve the regional jobs/housing Policy H22: imbalance in a regional manner.

Implementation Actions Work Program Objective: Continue active participation to address regional affordable H22.1 Affordable Housing Task Group. Continue to support and participate on the Joint Cities / County Affordable Housing housing issues. Task Group. Responsible Agency: Planning Division Timeframe: Ongoing H22.2 Shared Housing Development. Explore joint housing development opportunities, with the County of Santa Barbara Funding Sources: General Fund and the cities of Carpinteria and Goleta. H22.3 Affordability Criteria. Continue coordination with the County to maintain uniform affordability criteria. H22.4 Farmworker Housing. Encourage and support the County's efforts to address the special housing needs of farmworkers on the South Coast. H22.5 Affordable and Workforce Housing. Continue to work with community groups in support of Affordable and "Workforce" housing on the South Coast. H22.6 Coastal Housing Partnership. Continue to participate and support the Coastal Housing Partnership, as well as explore ways to expand its role and reach. H22.7 Employer Incentives. Work with the Coastal Housing Partnership to develop incentives for employers throughout the South Coast to provide employee housing on-site or close-by off-site, and establish or expand programs that encourage employers to provide other housing benefits or financial assistance programs, such as down payments, closing costs and rental move-in fees for employees.

- H22.8 <u>Bridge Loans.</u> Encourage the Community Housing Trust Fund to explore the feasibility of providing "bridge loans" to existing property owners to add small rental units (including "granny units") to their property. The bridge loan would be for the construction period. In exchange, the rental units would be required to be affordable for a reasonable period of time.
- H22.9 <u>Affordable Student Housing</u>. Encourage UCSB and Santa Barbara City College to address affordable student, faculty and staff housing on campus and at close-by off-site opportunity sites.
- H22.10 Regional Coordination on Affordable Housing. Continue to coordinate with other South Coast agencies to identify available land for residential development and consider partnerships between local agencies to develop housing for the South Coast workforce. Inventory and consider publicly-owned sites throughout the South Coast's urban areas with good transit accessibility for such development.

Policy H23: Develop regional strategies to fund and construct Affordable Housing for different need categories (e.g. senior, young families, disabled, homeless) within existing urban growth limits.

- H24.2 <u>Condominium Production</u>. Encourage the passage of legislation that would resolve the condominium construction defect liability crisis.
- H24.3 <u>Housing for Disabled</u>. Support State legislation that would expand housing opportunities for the disabled.
- H24.5 <u>Residential Development</u>. Encourage the federal and state governments to establish policies and expand programs that will assist in the production and financing of residential development including the following:
 - Adopt legislation or regulatory changes that will result in an expanded secondary mortgage market for mixed use and affordable housing developments.
 - Revise the tax code to provide incentives for the construction and ownership of rental housing, such as accelerated depreciation.
 - Increase funding for affordable housing programs.
 - Amend the Community Reinvestment Act to require banks and savings associations to provide more financing for the production of affordable housing.
 - Adopt legislation that will facilitate the use of Mortgage Credit Certificates and tax exempt bond financing for affordable housing in higher cost areas.
- H24.6 <u>Section 8 Program</u>. To ensure the continuation of the Section 8 Housing Voucher Program the following shall be pursued:

Objective: Support state and federal legislation to encourage housing funding and construction.
